

# LATG Resource Kit

The LATG Resource Kit supplements the LATG manual and contains everything needed to study for the LATG Certification exam. The shorter, more concise reference list allows all study material to be incorporated into one neat package. No more tracking down copies of publications recommended for study!

Included in the packet are:

- Biosafety in Microbiologic and Biomedical Laboratories
- Occupational Health and Safety in the Care and Use of Research Animals
- Guidelines for the Prevention and Treatment of B virus Infections in Exposed Persons
- Cost Analysis and Rate Setting Manual for Animal Resource Facilities
- Technician Certification Handbook

This resource kit is \$70 for members and \$95 for non-members. Also, receive \$10 off the purchase of an LATG Training Manual wherever you buy this kit!
