The American Association for Laboratory Animal Science (AALAS) is the premier forum for the exchange of information and expertise in the care and use of laboratory animals. We are 15,000+ clinical veterinarians, technicians, technologists, educators, and business people, including researchers, administrators, animal producers, and national and international experts. Since 1950, we have been dedicated to the humane care and treatment of laboratory animals and the quality research that leads to scientific gains that benefit both people and animals.
4,000+ attendees each year (pre-pandemic; 3.5k in 2023)
500 speakers, including poster presenters.
400 abstracts and 100 educational sessions.
On average 275 exhibiting companies.

**BRAND AWARENESS**

The AALAS National Meeting is the largest gathering in the world of professionals dedicated to laboratory animal science. Your presence at this meeting helps build your brand awareness with potential customers and reinforces relationships with existing customers.

75% of AALAS National Meeting attendees say the Exhibit Hall is very important to their National Meeting experience.

**REACH DECISION MAKERS**

The attendees at the AALAS National meeting are the decision makers you want to reach. In post meeting polling, 88% of attendees identified themselves as making final purchasing decision, influencing decisions, or making recommendations on decisions.

90% of attendees make final purchasing decisions, influence decisions, or make recommendations.

**INCREASE SALES**

The AALAS National Meeting provides a venue for your company to increase sales, establish relationships, and provide information to prospective customers. Our attendees come from the academic community, research institutions, government organizations, and commercial companies. Every effort is made to drive traffic to the Exhibit Hall through events, refreshments, and non-compete hours.

92% of Exhibit Hall visitors are looking for new equipment and or product solutions.

Exhibitor Opportunities

MORE THAN A BOOTH
Your booth space fee includes:
- Listing on AALAS National Meeting Exhibitor website
- Name, booth location, category in the mobile app
- Name, booth location, category in the Final Program
- Admittance to education sessions
- 4 booth attendants per booth
- 4 guest badges
- Use of meeting logo in your promotional materials

87% of our exhibitors plan to return each year.

PRIORITY POINT SYSTEM
The priority point system allot one point for each past AALAS National Meeting at which a company has exhibited; one additional point is given if the company is a member of the Allied Trade Association (ATA). To qualify for priority point assignment, AALAS must receive a completed application form and deposit payment by mail or fax on or before February 5. Exhibiting companies who meet the priority point criteria will be assigned first. After booths have been assigned based on priority points, the remaining booth space will be assigned on a first-come, first-served basis.

Whenever possible, space will be allotted according to the exhibitor’s choice, but the final arrangements will be determined by exhibit management in such a way as to produce the most advantageous grouping of the exhibits.

BOOTH RATES
Regular booth rates are listed below, however, opportunities for discounts exist with AALAS base and premium commercial memberships, ATA membership, and quantities of booths ordered.

TECHNICAL TRADE PRESENTATIONS
Technical Trade Presentations are 20-minute, informal talks given by representatives of exhibiting companies. These are not sales pitches; the goal is to share tips and information about new technology and products in the industry. Only one presentation per company will be accepted. All topics are reviewed and approved by the Exhibitor Advisory Council. The presentations will take place on Sunday of the National Meeting. Topic must be submitted online by March 15 of each year via Abstract Central at https://aalas2024.abstractcentral.com. To learn more, see page 15.

Regarding the Technical Trade Presentation attendees, 51% found the presentations helpful and 55% followed-up with a visit to the presenter’s booth.
Sponsorship & Advertising Opportunities

Increase your visibility at the National Meeting by sponsoring an item or event. AALAS provides sponsorship opportunities that are flexible, fit any budget, and reach decision-makers through onsite, online, and print options. Sponsorships drive traffic to your booth, extend your brand’s reach, and build brand awareness.

Capitalize on the AALAS National Meeting
Leverage your marketing budget and earn sponsorship levels; sponsors receive high visibility signage. Deadlines of April 1 for inclusion in the Preliminary Program and August 1 for the Final Program. Some opportunities have more than one sponsor. Prior sponsors have first right of refusal for the current year’s sponsorship. After April 1, the sponsorships are sold on a first-come, first serve basis.

*If a company cancels a sponsorship, cancellation fees may apply.*

President, Gold, Silver, Bronze Sponsorship Packages

These packages are ideal for companies or organizations that want to show their support at a predetermined sponsorship level. To receive recognition for a sponsorship package, a company must be a current exhibitor.

## National Meeting Sponsorship and Advertising Items

In addition to Sponsorship Packages, AALAS gives you the flexibility to select the sponsorship items that best support your marketing goals. Total sponsorship spending for these items will classify your company as follows:
- President: $15,000+
- Gold: $10,000
- Silver: $5,000
- Bronze: $2,500

For example, investing $2,500 for the pen sponsorship will classify your company as a Silver sponsor. Companies that qualify for the President, Gold, Silver, or Bronze categories for total sponsorship item spending will also receive print acknowledgement in the Preliminary and Final Programs, National Meeting web page acknowledgement, a sponsor booth sign, and sponsor ribbons for booth attendees. In addition, the first 5 companies whose total sponsorship spending is $10,000 or more will qualify to submit a video commercial for the Opening General Session.

**TECHNICAL TRADE PRESENTATIONS**

Technical trade presentations are 20-minute, informal talks given by representatives of exhibiting companies. These are not sales pitches; the goal is to share tips and information about new technology and products in the industry. Only one presentation per company will be accepted. All topics are reviewed and approved by the Exhibitor Advisory Council (EAC).

Technical trade presentations are part of the meeting’s program. Presentations are delivered on the Sunday of the meeting starting at 1:00 PM and concluding by 4:00 PM. If enough presentations are accepted by the EAC, more than one learning track will be offered.

Go to http://aalas2024.abstractcentral.com to submit your abstract. Returning users to the submission site will use the same log in information as in previous years. You will be asked to enter title, description, what participants will learn, target audience, and contact information for the speaker.

AD INSERTS
JAALAS, Comparative Medicine, and LAS Pro accept advertising inserts. View the rate chart on page 20 for complete details.

$2,500-5,000 / 1 available per issue
## FILE FORMAT

The preferred file format for color ads is PDF. The preferred file type for black and white ads is TIFF. EPS and TIFF files are acceptable if they meet the following minimum resolution specifications:

- Line art (bitmap) images at 1200 dpi.
- Grayscale / Color images at 300 dpi.
- Combination grayscale and color images at 600 dpi.

If you are using Adobe Illustrator, please convert text to outlines before submission. AALAS does not support Illustrator PDFs due to their instability. The file, and all images included, must have a resolution of at least 300 dpi. Files must be grayscale or CMYK.

Ads submitted that do not meet the above listed specifications will either be returned to the advertisers to correct or will incur digital production charges at $65/hour. Tech support will also be billed at $65/hour.

## AD LAYOUT

Regardless to the format supplied, all ads must conform to the following:

- Final full page ads must meet journal trim size and include 1/8" bleed image minimum on all four sides.
- No content is to be within 1/4" of trim size.
- All fonts and graphics must be embedded or included with the files and conform to the specs above.
- All color ads need to be supplied as composite files.
- Embedded images should not be scaled, cropped, masked, or rotated within the page layout application, but instead should be manipulated in Photoshop and then imported into the page layout program at the proper size and position.
- Do not nest EPS files within EPS files.
- All lines and line art images should be a minimum of 1/2 pt. thickness at final size to reproduce effectively.

## AD INSERTS

Inserts should be boxed and clearly marked with the journal title and the volume/issue that the inserts are to be included with. If the insert is to be included in multiple issues, please list all issues that will use the insert on the box. Please arrange the shipping of your insert with the AALAS national office staff.

## CANCELLATION POLICY

Advertising space may be cancelled 60 days prior to the closing date for ad materials. Advertisers who cancel after this date will be charged for the reserved ad space. Files that do not meet the specifications in the rate card will not be accepted. It is the responsibility of the advertiser to make corrections and resubmit. If an approved ad is not submitted by the materials deadline, additional charges may be applied. If an approved ad is not received, it will be considered a cancellation and charged as such.

## BILLING INFORMATION AND DISCOUNTS

Payment must be received within 30 days after invoice date. If your company works with an advertising agency for creative and/or placement coordination, remember that we strive to maintain reasonable costs and, therefore, AALAS advertising is not commissionable. We are happy to work with a professional agency regarding your ad; however, we prefer to keep any creative and/or other agency fees related to your ad an independent business matter between your company and your agency. We will bill the agency; however, if the agency fails to pay in a timely manner, your company will be billed directly. Discounts are based on the number of ads placed in one calendar year. If the frequency of advertisements placed is not fulfilled or changes during the calendar year, discounts will be adjusted accordingly and advertisers will be responsible for any additional cost.

## FILE SUBMISSION

Send files electronically or by mail. Matchprint™ at 100% scale, including marks and file information and indicating color where appropriate, can be submitted to ensure proper color match. A color laser proof is acceptable, but does not ensure accurate color. AALAS will not be held responsible for inaccurate color without a Matchprint™. E-mail files (up to 10 MB) to heather.lampi@aalas.org. For larger files contact advertising@aalas.org for instructions on how to upload files.

+55% of base rate for inside front cover, inside back cover, and back cover.

+25% for all other preferred placement

Discounts are given based on the number of paid advertisements in the following AALAS publications within the calendar year: JAALAS, Comparative Medicine, National Meeting Preliminary & Final Programs, and LAS Pro.

Trim size of the publications is 8.5 x 10.875 inches.

*Spreads count as two ads for discount and color purposes.

Comparative Medicine accepts only spread and full page ads.

PMS color (each): $405
Process color (each): $275

**PREFERRED PLACEMENT AND DISCOUNTS**

FULL-PAGE ADS ONLY

**AD INSERTS**

LAS Pro, JAALAS, and Comparative Medicine currently accept ad inserts. Inserts must be smaller than 8.75 x 11 in., printed on paper no heavier than 100#. Both coated and uncoated stock are acceptable. Submit a full-size sample of the insert, printed on the same stock weight and bulk as the final furnished inserts, to AALAS in advance of publication for approval; do not proceed with printing until mock-up is approved. Email advertising@aalas.org to verify amounts.
Digital Products

ADVERTISE ON AALAS COMMUNITY EXCHANGE (ACE)
Consider placing a digital advertisement on ACE. Ads may be purchased for inclusion in the daily digest email portions of the online platform. The average open rate is 20% across the Open Forum, Meetings & Events, and CompMed.

AALAS launched AALAS Community Exchange (ACE) in April 2019. ACE is a member benefit giving AALAS members a powerful resource to network with 14,000 laboratory animal science colleagues, exchange knowledge, and share solutions.

ACE is an online platform consisting of various communities, each with their own discussion forum, online resource library, and member-search for networking.

AALAS members interact with each other to share information and solve practical problems. Members connect in self-selected open communities. AALAS members receive emails with subscription notifications. In addition to being able to network with colleagues, members will be able to participate in discussions; access a library of resources specific to communities; and post images, videos and documents to share with others.

Placement: Open Forum, Meetings & Events, and CompMed Daily Digests
Pricing: $4,000 / per month; 1 per company depending on availability
Size: 728 x 120 pixels
Rotation/Date Selection: 12 available / By the 20th of the month prior to the ad placements

ACE’S IMPACT

AALAS members (15,000+ individuals) are automatically subscribed to the Open Forum and the Meetings & Events communities. CompMed hosts 1,000+ members. Members of these communities receive a daily digest containing the recent discussions and responses.
AALAS HOMEPAGE AD
Advertise on the AALAS website homepage and benefit from 8,600 unique viewers and of 13,300 page visits on average each month. Your digital ad (350 x 279 pixels) can redirect to your website. This new marketing opportunity will provide advertisers access to engaged LAS decision-makers through high-traffic visibility.
Price: $3,000 / month

AALAS WEBSITE INSIDE PAGES
Use the AALAS website to highlight your company’s products and services. Ads must be GIF or JPG files no larger than 50 kb (no Flash files), with a run time of 10 seconds. Email banner ads to advertising@aalas.org. Include the URL/email link for the ad.

*Prices are per month. Discounts are based on the number of paid advertisements placed on www.aalas.org and www.aalas.org/nationalmeeting in one calendar year. If the frequency of advertisements placed is not fulfilled or changes during the calendar year, discounts will be adjusted accordingly and advertisers will be responsible for any additional cost.

NATIONAL MEETING SECTION BANNER AD
Have your banner ad on the National Meeting website. Limitless sponsors can purchase 190 x 107 pixel ads that can include a hyperlink to company’s web sites.

LAS PRO NEWSLETTER
Advertise in the LAS Pro emailed newsletter. The newsletter is delivered to all AALAS members via email during the months that the magazine is not published (February, April, June, August, October, and December). Your banner ad will be featured below the email’s masthead and can link to your website. Clicks on the ad will be provided to advertisers. AALAS email open rate of 28% consistently exceeds industry averages. A banner ad should be 608 x 124 pixels.
Price: $1,000 / issue

CAREER CENTER RATES
Recruitment classifieds are accepted with the understanding that the advertiser does not discriminate among applicants on the basis of race, gender, age, religion, national origin, or physical limitation.

For packages and pricing, visit https://www.aalas.org/career-center

Payment by credit card is required at time of placement.
