Technicians Light the Path to Discovery

The American Association for Laboratory Animal Science (AALAS) and our affiliate supporter, the International Council for Laboratory Animal Science (ICLAS), announce the annual event recognizing laboratory animal technicians around the world for their essential contributions as members of the research team.

AALAS advances responsible laboratory animal care and use to benefit people and animals.

INTERNATIONAL LABORATORY ANIMAL TECHNICIAN WEEK
JANUARY 31, 2021 - FEBRUARY 6, 2021

The American Association for Laboratory Animal Science (AALAS) and our affiliate supporter, the International Council for Laboratory Animal Science (ICLAS), announce the annual event recognizing laboratory animal technicians around the world for their essential contributions as members of the research team.

AALAS advances responsible laboratory animal care and use to benefit people and animals.
